Executive Director Report

As I get closer to my one-year anniversary with Nelson County Health Services Foundation, it amazes me how time has flown by. When I was younger, I would frequently hear people say “Enjoy it because the time flies by”. I didn’t think much of it then, but realize this now more than ever now that I have young children of my own and seeing days fly at NCHS!

There have been many moments that I have enjoyed during this first year at NCHS that I can’t even begin to write down. From a simple visit with a coworker, to someone unexpectedly stopping by my office, to witnessing all the wonderful support this community has for its local health system each day. I am truly grateful for the kindness, guidance and support that I have been given from the community, the health system and especially the Nelson County Health Services Board of Directors.

These past few months have seemed to have been a blur with many holidays so close together mixed with some fun events that NCHSF participated in. We had another wonderful Tree of Remembrance Campaign, gave back to the community at Winterfest, held a fun and unique raffle, and had our most successful Giving Hearts Day Campaign so far!

With Spring quickly coming our way, just remember to take time to enjoy the small moments and blessings you experience each day, because time truly does fly by! We hope you have a wonderful Spring and hope to see you at our Picnic in the Park each Monday!

First in North Dakota! NCHSF Purchases Trishaw Bicycle

NCHSF is excited to announce that we have raised enough funds to purchase a trishaw bicycle, The Chat, for the residents at the Care Center and Assisted Living to enjoy a bicycle ride outside! The trishaw is currently being shipped to McVille from Copenhagen, Denmark and should be at NCHS by May. NCHS will be the FIRST in North Dakota to have a trishaw! This project was funded by our community through those that attended our 2019 Picnic in the Parks, 2019 Table Fantasia, North Dakota Telephone Company and individuals who donated directly to make this happen.

We are in need of volunteer pilots who are willing to complete training to take the residents and family members on bicycle rides around McVille. The trishaw is battery powered to help assist the pilot in bicycling. If you are interested in being a volunteer pilot, please call Anna at 701-322-2225.

Successful Giving Hearts Day for NCHS Foundation

Nelson County Health Services Foundation is pleased to announce another successful Giving Hearts Day that was held on February 13th, 2020. There were more than 170 donors that contributed to Nelson County Health Services Foundation, which was the largest number of donors for this one day event in the past ten years! Over \$35,000 was raised which is going towards purchasing a Coag Analyzer for our Laboratory Department to perform routine and specialized tests, two electric exam room tables for the clinic and wall mounted blood pressure units for the clinic.

This was the tenth consecutive year, the Nelson County Health Services Foundation was chosen by Dakota Medical Foundation, Impact Foundation and the Alex Stern Family Foundation to participate in Giving Hearts Day, the region's largest on-line giving event. We want to give special acknowledgment to Farmers and Merchants Bank of North Dakota, Tolna American Legion Post #162, Lakota Community Foundation, Dakota Medical Foundation, McVille American Legion Post #135, Stein Seed Company, Dr. Tom Dunham-Optometrist and Ohnstad Electric for providing \$17,845 of matching funds for this event!

NCHSF Holds Grocery Dash at Wangler Foods

Nelson County Health System held an interesting raffle this Fall.....a Grocery Dash raffle! Community members purchased tickets for a chance to win 60 seconds with an empty shopping cart at the McVilleville or Tolna Wangler Foods store. The winner was Holly Walen from McHenry.

Holly had a fun time “dashing” through the McVilleville Wangler Foods store to get as many groceries as she could get! Thank you to everyone who purchased tickets and supported our Foundation!

NCHSF Participates in Winterfest

Nelson County Health Services Foundation was excited to participate once again in Winterfest held at the McVilleville Auditorium on Sunday, December 1st. The NCHSF Board wanted to give back to the community and hosted free activities and ornament making for the kids. The chilly night ended with hot chocolate and yummy smores for all! We can't wait to be back next year!

Nancy Sigette Healthcare Scholarship Awarded

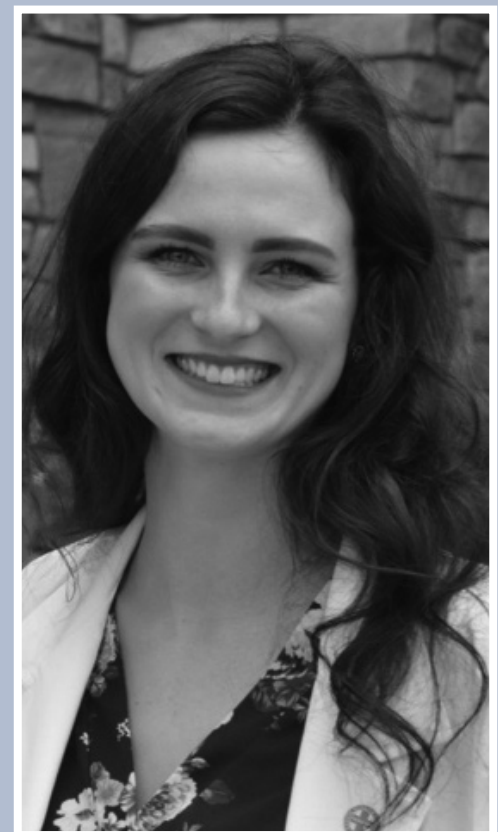

Ashley Held has been named the 2020 recipient of the Nancy Sigette Memorial Healthcare Scholarship.

Ashley, who is from Grand Forks, has been working at the Nelson County Health System Care Center as an LPN since August of 2019. She will receive her RN degree from Lake Region State College this May and will go on to obtain her Bachelors of Science in Nursing degree at Mayville State University this Fall.

Ashley has been working at NCHS while she has been taking classes at LRSC and plans to continue working at NCHS as she attends Mayville State University this Fall.

The Nelson County Health Services Foundation is honored to assist the Sigette Family in the administration of this scholarship which was established in memory of Nancy to assist students pursuing careers in healthcare.

Congratulations Ashley!

NCHS Welcomes New Board Members

Tanya Swenson accepted a three-year term on the Nelson County Health System board this past November. Tanya moved to Nelson County a few years ago and lives near McVille with her husband Cameron. She is currently working as a teller at Farmers and Merchants Bank in

McVille. She has enjoyed getting to know the people in the community, is grateful for the health care services offered locally and will continue to make sure the public is informed on how NCHS can help them. The NCHS Board is excited to have Tanya on their team!

We are excited to announce that Amie Vasichek has joined the NCHS board effective December of 2019. Amie has been the City Auditor in Lakota since March of 2009 where she resides with her husband Jim and three children Lauren, James, and Claire. She is excited for the opportunity to be

involved on this board and brings perspective of having a young family in a rural setting. Amie is very active in the community being involved with Economic Development, Nelson County JDA and the local Community Club.

*Welcome,
Tanya & Amie!*

Hospital Remodel Update

Our exciting remodeling project of moving our Laboratory and Radiology Departments to the main level at the Hospital is still underway. Workers have had to stop work temporarily due to COVID-19 precautions, however the project is anticipated to be finished this Summer! Great progress has been made and we are excited for the work to be finished so we can show the community! An open house will be planned in the future.

Dr. Martinson Receives 2020 Outstanding Rural Health Career Award

Erling Martinson, MD

*Family Practice
Nelson County Health System*

Congratulations to Dr. Erling Martinson for being selected to receive the Outstanding Rural Health Career Award through the Center for Rural Health.

The Outstanding Rural Health Career Award is presented to a healthcare professional who has devoted his/her career to making significant contributions to improving healthcare in rural North Dakota.

Dr. Martinson is a Family Practice Physician that has worked at Nelson County Health System for the past 28 years. During his time at NCHS, Dr. Martinson has provided care to our community from all of our facilities, but currently cares for patients at the Hospital, Emergency Room and Care Center residents. We are proud of the great work that Dr. Martinson has done to improve healthcare in our area and thankful he has chosen to provide care at NCHS.

Center for Rural Health

Employee of the Month

NOVEMBER
Kim Toso

DECEMBER
Tina Lamphere

JANUARY
Michelle P.

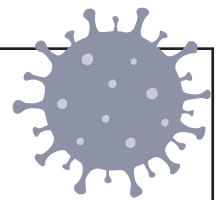

FEBRUARY
Sharon Maertens

Thank you Kim, Tina, Michelle and Sharon for going above and beyond caring for our residents. Your efforts have been not only recognized by the residents, but also your fellow coworkers.

Congratulations!

Care Center Works Around Covid Precautions

To protect everyone, NCHS has been practicing visitor restrictions. Never have we been so thankful for an entryway with windows. Granddaughter Amy brought her new little bundle of joy, Great Grandson Kade, to visit his Great Grandparents Annette and Red! We were able to hook up a telephone just inside the door so everyone could communicate. Nelson County Health Systems Care Center was so happy to be able to make this visit possible during this difficult time.

NCHS hires new Social Service Designee

Tina Lamphere will be joining the Social Service Department as the new Social Service Designee beginning in May. She has worked at Nelson County Health System as an CNA since August of 2019. Tina will be involved in assisting residents with their Residents Rights, screening new admissions to the care center and swing bed, and assisting the Social Service Director in many areas of regulations and compliance with State and Federal rules. Please welcome Tina to her new position at Nelson County Health System.

NCHS Receives Otto Bremer Foundation and North Dakota Community Foundation Grants

NCHS is grateful to receive a \$25,000 grant from the Otto Bremer Foundation through the Community Benefit Financial Company Emergency Fund and a \$3,000 grant from the North Dakota Community Foundation through the North Dakota COVID-19 Community & Nonprofit Response Grant. Both grants were given to NCHS to help cover the costs of additional supplies and staffing to prevent and respond to the Coronavirus epidemic in our community.

McVille American Legion Post 135 Provide Matching Donation

A big THANK YOU to the McVille American Legion for donating towards our Laboratory and Radiology remodel project. Their donation of \$5,000 will be used as a match for individuals or businesses who would like to help contribute to this project. Any donations received for the remodel project will be matched up to \$5,000! If you or your business would like to donate towards this project, please contact Anna at 701-322-2225.

2019 Tree of Remembrance

Thanks to your generous gifts during the season of giving, we received \$24,810 in donations! Thank you for honoring and remembering your loved ones by making a donation to the Nelson County Health Services Foundation for the 28th Annual Tree of Remembrance during the 2019 holiday season. Wall displays were created at the Care Center and Hospital to acknowledge the various levels of giving, which included star, dove, bell, snowflake and candle ornaments. We would also like to acknowledge each gift given in honor or in memory of friends and family as follows:

PICNIC in the Park!

Nelson County Health Services Foundation will once again be holding Picnics in the Park, beginning date to be determined, where a \$5 lunch in the McVile City Park from 11:30 a.m. - 12:30 p.m will be served. Join us each Monday this summer for burgers and brats, potato salad, chips and water or lemonade, all for only \$5.00! Sweet treats and coffee will also be made available each week by friends of the McVile Community Library.

For information on when the 2020 Picnics in the Park will start and in case of inclement weather, be sure to check out the Nelson County Health Services Foundation Facebook page for the latest updates or cancellations. For more information, call Foundation Office at 322-2225.
